CIVIL ACTION NO.

University of Mississippi Medical Center (UMC)

DEFENDANT(S)

A motion for an appointed attorney

Plaintiff shanshan zhan, pro se, is respectively asking the court for an appointed attorney.

The reasons are:

1. Plaintiff has been searching for a lawyer intensively for last two months, following internet search and a list of lawyers provided by EEOC. However, so far, it hasn't been successful. Most of lawyers in Jackson, MS refused to accept Plaintiff's case.
2. A few lawyers would accept the case but charge money from \$11,000 – \$15,000. It's too much to Plaintiff who can afford. Currently she does not have a job and is facing financial challenges.
3. Plaintiff has a lot of medical bills to pay including breast cancer surgery, radiation treatment and dental bills.

Respectfully submitted, this the 7th day of October, 2014
